

# Pre-K March Newsletter

Dear Pre-K Families,

Thank you to all of you who volunteered for our Valentine's Day Party! The children enjoyed the many yummy treats, creating fun valentine's projects, playing silly games and showing off their classroom. We always love seeing the smiles on our Pre-K friends' faces as we work as a team with our families to provide them with memories that we hope will last forever!

March promises to be a busy month. Some of our upcoming themes are Dr. Seuss' Birthday, St. Patrick's Day, Our Five Senses and Fresh From the Garden.

Look out Dr. Seuss, Pre-K's poems are on the loose! We will begin the month reading many Dr. Seuss stories and emphasizing the numerous rhymes he uses. Our Pre-K friends will create their very own silly rhyming poetry. Later in the month, we hope our Pre-k class will be visited by a messy, but lucky leprechaun! In the past, he has visited us the week before St. Patrick's Day and left his "mark" on our classroom for the children to enjoy each morning. We are crossing our fingers that the leprechaun will visit us this year! ☺ We will use our sense of taste to decipher sour, salty and sweet treats as we launch the study of our five senses. On our nature walk around the school, we will pay close attention to the many different things we see, hear, smell, taste and feel on the walk. Getting messy with sand, glitter, feathers, sponges and glue, our Pre-K friends will use their creativity to craft texture bugs. This month's curriculum will come to a close as we welcome spring. We will be creating flower art and exploring vegetables to learn if they are the root, stem, leaf, flower, or bud of a plant. We are looking forward to a month full of creativity, fun and learning!

# Singing and Dancing in Pre-K!

Sing a song of flowers, flowers  
all around.

Flowers that are growing,  
growing in the ground  
Flowers of each color make a  
pretty view.

Red and orange and yellow.  
And blue and purple, too.

There was a little leprechaun,  
He lived under a rainbow.
