Infant Newsletter: November, 2014

Welcome to November! We had a great time at Spooky Night, thanks to all who attended! If you couldn't make it, we always have a Christmas family night in December!! This month will be busy, busy! We will be closed on November 27th and 28th in observance of Thanksgiving, everyone have a safe and happy holiday!

Please be sure to LABEL EVERYTHING: bibs, blankets, crib sheets, clothing tags, bottles, bowls, food, etc. With more friends joining us, it is extremely important that things have names on them--this is especially important for food items. Please make sure that you are sending in TWO WEATHER APPROPRIATE changes of clothing, along with a coat and hat (we still try to get out when the schedule/weather allows). Please remember, also, that we are not allowed to le ave blankets or snugglies in cribs with our friends, but we can use sleep sacks.

Please make sure that if your child is getting breast milk (or you send formula in daily), that we have something as backup (whether it be frozen breast milk or a small supply of emergency formula)--this is important in case something happens to one bottle, they refuse a bottle early on but need one later, you are running late, etc. We will only use the backup in an emergency.
