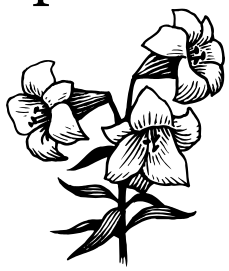
Preschool Newsletter
April 2013



Hello Parents!

Last month we did a lot of fun things in Preschool. To start off the month we talked about **Dr. Seuss** to celebrate his birthday, we read a lot of his books and did some artwork to go along with them. The next theme that we had was **St.Patrick's day**, during this week we painted shamrocks, made rainbow art, and had a hunt for gold that the leprechaun left! **Community Helpers** was our next theme in March, we really enjoyed talking about what we would like to be when we grow up and also learning about the different community helpers there are. Lastly, we learned about **Easter**, we read "The Real Easter Story", had an Easter egg hunt, and made a big Easter basket for our classroom.

Our themes for the month of April are **Spring**, **Flowers**, **Pets**, and **Insects**. Our letters for the month of April are **O** and **P**.

Important Dates for April

- Pizza days will be on April 5th, 11th, 19th, and 25th
- Miss Sue will visit on April 11th, 17th, and 25th
