

Infant Newsletter

September, 2013

Welcome to a new school year! It's hard to believe that it's Autumn already, but we're ready to have some fun! We want to say "see ya later" to our friend Madison, who moved up to yearlings this month, and welcome our new friend Sydney! We will also be welcoming some familiar faces back, including Grace, Landon, Christopher, and Danielle!

You will notice that the refrigerator is labeled with name-tags. This is simply to separate children's belongings. Please try to place your child's belongings in the appropriate spot. We ask that you label your child's belongings permanently and legibly. If you are unable to access permanent labels for any reason, painter's tape seems to hold up very well!

Now that Autumn weather is coming, please ensure that your child has appropriate clothing and extra changes. Sweatshirts, hats, and coats are important since we will be walking outside. We appreciate your cooperation!

Please be sure to sign your child in and out on the sheet outside the door, this is how we know how to contact you and helps us to be aware of our staffing needs.

Finally, you will notice a packet of papers in your child's cubby. There is a summary of the packet on the front page—some are samples for your reference, but we ask that feeding schedules, permission slips, and medication forms be updated. This is simply so that everyone is updated at the same time, we appreciate your patience and cooperation in this matter! Please have these returned as soon as possible, and at the latest by Friday, September 14th.

**Just a quick reminder that Parent Orientation is Monday, September 16 at 6:00 for anyone who would like to attend an information session!*

Welcome!

We wanted to welcome you to the infant room and to a new school year!

The Parent Resources bin is located to the left of the television on the infant cubbies. Please feel free to browse to find articles related to sleep, health and hygiene, feeding, and temperament.

In the future newsletters, this section of the newsletter will contain tips and ideas for things like achieving milestones, getting your baby moving, or even activity ideas!

Thanks!

Sandy, Tonie, and Nicole
