Classroom News April

Be Respectful

Be Responsible

Dear Parents,

March was a month filled with silly Dr. Seuss lessons, an awesome reptile show, another visit from Ms. Jessica at Stony Brooke, fun St. Patrick's Day games & projects, learning about what spring is (even in the snow!) and exciting Easter games!

We have lots of new & exciting projects, games & activities planned for your preschool children this month! We have also started a new morning/afternoon routine on the circle time rug called our Weekly Focus. (more info below) -Miss. Megan & Ms. Emily

Weekly Focus

Our Weekly Focus board is a new addition to our preschool classroom, we have added this to help your children become more familiar with letter, number & shape recognition. There is also a 'sign of the week' to start introducing simple hand motions/gestures in sign language. Encouraging your children to talk about what the weekly focus is will help them gain more knowledge on letters & numbers! 😊 **In April we will focus on the letters: D, E, F & G and the numbers: 4, 5, 6 & 7**

Important April Dates:

Pizza: April 6th, 12th, 20th & 26th

April Quote:

"Expect more, most people have a way of living up (or down) to expectations—preschoolers included. 'at school we expect the kids to pour their own water at snack, to throw away their plates, to hang up their jackets—and they do,' says Jennifer Zebooker." "Raise the bar and your child will probably stretch to meet it."

Reminders & A Look Ahead

- Check art folders daily!
- Spring is coming, once the snow is gone, please start taking home snow clothes!
- be sure to label coats & cups!
