

## June Infant Newsletter

Welcome into June! The Infant teachers are so excited to start the summer program with your babies this year. We have some fun activities and projects planned for them this month! Happy Father's Day to all the dads! We would also like to say good luck to Penelope, Nora, and Audrey as they are transitioning to the Yearling Room this month! We are going to miss them and have enjoyed seeing them grow their first year. We know that they are going to do great down in the Yearling Room! As all of you know, Miss. Gabby is going on maternity leave soon as her baby is due July 9<sup>th</sup> so we would love to welcome Miss. Kayla to the Infant Room! She has been doing amazing with your babies and has been getting to know your child and bonding with them these past few months. She is looking forward to spending the summer with our amazing group of babies this year! ♡

### Important Reminders:

- **Please label everything!** This includes, sunscreen, summer hats, bottles, food (even if it stays in your child's lunch box!), bibs, etc. This will help the staff make sure they are giving your child their own food or their personal items like hats/sunscreen, etc.
- **If your baby is over 6 months:** Please fill out a topical cream permission slip stating we can give your child sunscreen and bring it into daycare with the sunscreen bottle/spray. If you are not comfortable putting sunscreen on your child yet, please talk to Gabby or Nina about this. We just want to make sure your child is safe from the sun.
- If your child is walking or standing, please bring in some shoes so they can practice wearing them. 😊
- Please update your extra clothes in your diaper bags or bins in the classroom for summer time.
- Also, please make sure your child has a sun hat that can be left here at daycare for the week.

As always, if you have any questions/concerns about anything please let us know! We want your child to be safe, happy, and comfortable here at school! ♡ 😊
