

Welcome to The Infant Room! We are so excited to start another year with your babies. We have some new faces joining us this month! Welcome Mila, Logan, and Olivia. We would also like to say good luck to Rory as he moves onto the Yearling room! We will be busy doing fun projects each week so get ready to get messy 😊

Important Dates:

Center Closed = 9/3

Parent Orientation= 9/12

Important Reminders:

- Please label everything that comes into the classroom. This includes loveys, binkies, bottles, crib sheets, bibs, and *especially* breastmilk bottles. This also includes baby foods that are placed in the refrigerator. This is to make sure everything goes home with the right child at the end of the day or the week. It can be as easy as writing initials on things with a sharpie (which we would gladly let you guys use! 😊)
- If bottles/food that are in the refrigerator are not labeled, we apologize ahead of time but cannot give them to your child. This is for safety reason such as allergies, etc.
- Please use the cubbies that are in the classroom. Each child is provided a cubby near the refrigerator. This helps us avoid leaving the classroom to search in diaper bags. You can stock up on bibs, foods, extra clothes, etc. for the whole week if you would like.
- We love to go on walks so make sure your child has extra socks and a sweatshirt in their classroom cubbies! (again, label jackets/sweatshirts! 😊)

We are so excited to do all the fun activities with your babes this year! We love doing projects each month so we hope you look forward to your baby's art work. ♡ If you have any questions at all about anything, please let us know. We want your child to have a safe and fun day! 😊

-Nina and Kayla
