

Pre-school October Newsletter

September has flown by and we are all settled into our Preschool routine! Last month we learned a lot about each other and our families during “All About Me” week. We learned how to pick apples (twist and pull) and we learned that another word for fall is Autumn!

In October, we will be learning about fire prevention and what to do in case of a fire. We will talk about the colors all around us, and of course, October is a great time to explore pumpkins and get ready for Halloween.

Other reminders

The temperature is changing and we go outside every day, weather permitting. Please make sure your child has a jacket or sweatshirt for outside play. Also, check their extra clothes to make sure they are weather appropriate. The children have been working very hard on their self-help skills! You will be surprised how much they can do for themselves and how proud they feel when they complete a task on their own!

Please check ART folders everyday

If you have any questions, feel free to give us a call! The best time to reach us is rest time, between the hours of 1-2:30. See you at school! Emily, Ana, & Megan
