HAPPY NEW YEAR

We cannot believe it's already 2017!! We hope that you and your families had a wonderful Christmas and New Year's.

The new year brings lots of new projects and adventures for all of us! This month in Pre-K we will be looking at winter weather and the clothing that we need to wear when we play outside in the snow. We will spend some time reading Jan Brett and we will talk about polar animals and hibernation. Not to mention so much more!!

Our Pre-K friends will continue to work on letter identification skills and letter sounds; as well as many other important skills. Another focus for us this month, and into the following months, will be writing our names with an uppercase letter followed by lowercase letters. We ask that you please practice name writing at home with your child too 😊 We are doing so well with this skill!!

Please do not hesitate to speak to one of your Pre-K teachers if you have any questions/suggestions! 😊

We wish you all a safe and healthy New Year!
