Martin Luther King Jr.'s Birthday –
January 16th!

December was an amazing and fun-filled month in Pre-school!
We learned a lot about Christmas, Hanukkah, and the New Year.

The children loved to tell us everything that they wanted for Christmas, and then everything they received from Santa in the following week.

January is going to be a month filled with lots of fun activities and new interesting themes!

1/3-1/6: Polar Animals

1/9-1/13: Friendship/Caring

1/16-1/20: Dinosaurs

1/23-1/27: Fairytales

1/30-2/3: Dr. Seuss

We would like to thank all our families for the thoughtful Christmas cards & gifts! We truly appreciate everything, and are looking forward to another month of fun with your children!

See you at school,

Megan, Emily, and Ana
