January was a busy and exciting month with a fresh start to a new year! We learned a lot about polar animals, while also playing with the bears and making play-dough like snow! In preschool, we also learned about Dinosaurs and created our own dino's on paper and with paper bags! To finish the month, we made our own planets with Miss. Emily while learning about Space!

February is going to be an enjoyable month in preschool with exciting new projects!

February Themes:

Feb.1-4: Space

Feb. 6-10: Healthy Bodies

Feb. 13-17: Valentine's Day

Feb. 20-24: Presidents and Black History

Feb. 27- March 3: Dr. Seuss

We are all looking forward to spending another wonderful month with your children!

Megan, Ana & Emily.
