## Our Learning

May was an exciting month filled with lots of practice for graduation, trucks and tractors and one of our favorite themes all year, dinosaurs! We had a special visit from Ms. Jessica from Stony Brooke who taught us about bees and all of their different jobs!

June has come so quick! We can't believe this school year is already coming to an end. We have had such a great year with all of your wonderful children and will be sad when we have to send them off to Pre-K! They have all come so far & it is a blessing we got to be a part of that! Thank you for all your help & participation throughout the year!

## Thank you!

If you have any questions/concerns nap time (1-2:30) is the best time to call the center to talk to Miss. Megan or Ms. Emily. We are looking forward to a fun filled summer with lots of water and exciting activities & projects!

-Miss. Megan & Ms. Emily
