

# Pre-School January News

December was an exciting month full of winter sensory exploration for our eyes, ears, hands and tongue (so many treats)! We loved the Christmas magic show with Mr. Tommy and customizing our very own candy-coated homes made from graham crackers. We talked about the different holidays that happen during the month of December and even tasted some traditions that may be different from our own (Hanukkah Latkes). Thank you to all who donated toys, product supplies and daily communication. Your generosity is the reason for the season! We are looking forward to all that January should offer and wish a Merry Christmas and a Happy, Health New Year 2019!
