We are welcoming our toddler friend Brady into our preschool family!

We will exchange Valentines on February 14th (there are 19 children in our class no need to write names on the valentines)

As the school year progresses, the children are becoming increasingly independent. Please keep this in mind as you are packing their lunches. Packing containers that your child can manage on their own fosters this independence and gives them a huge boost of confidence. After conquering their own lunchbox, they are ready to take on anything

Keep sending in those boots, snow pants, hats, mittens, and warm winter jackets!! If the weather permits, we will be going outside everyday!

As always, we are happy to answer any questions. The best time to call is during nap time 1-2:30. Thank you for your continued support! See you at school!
