May reminders:

-Show and tell is every Tuesday or Wednesday. Choose one of those days to bring in a special toy from home to share with your friends

-Please remember to empty folders every day. Art work and important information are found there.

Let them solve simple problems. If you see your child trying to assemble a toy or get a book from a shelf that she can reach if she stands on her stepstool, pause before racing over to help. "Provided that they are safe, those moments when you don't rush in, when you give children a moment to solve things for themselves, those are the character-building moments," says Zebooker. "It's natural to want to make everything perfect, but if we do, we cheat kids of the chance to experience success."
