Kitchen

June reminders:

*Please remember to check your child's folder, located at our sign-in daily.

Important notices and artwork are found in there.

*Summer program begins on Monday 6/17 for children staying for the summer.

*Our first waterplay will be on 6/18, Children should come to school dressed in their bathing suit and water shoes with sunblock on, girls need a cover up or clothing over their suits. Teachers do not apply sunblock or put kids in suits in the am. Your child needs a towel, we don't share towels for hygiene reasons and a change of clothes each day. Thank you for your cooperation!

Lastly it has been a pleasure having your child in our class this past year. We wish all our graduates the best of luck in Kindergarten!!!

Have a great summer and don't forget to visit.

Melissa & Ashley
